

## SD HOSA Event Competitions and Online Tests Specifics 2020-21

Many South Dakota HOSA events involve a Round 1 online test. In order to compete, all competitors must be affiliated members with HOSA. **Students may compete in three events, but only ONE on-site event.** (unless you are competing in the 'Health Care Team') In that case, a student MAY compete in another on-site event as this event isn't held at ILC.

Team tests must be taken individually. The tests will be averaged for a Round 1 score. Teams should be encouraged to take the test simultaneously to help eliminate ethics violations, but I do understand this may be difficult to do with the busyness of students. Online testing registration **closes Friday, February 7.**

Some events are testing ONLY events (ie: Medical Terminology) and are taken online BEFORE the State Conference with a testing window from **February 16-March 13, 2021** along with other Round 1 tests. Awards will be given at the Awards Session on Friday, April 9, 2021.

Below is a chart of all HOSA events taking place at 2021 SD HOSA State Leadership Conference:

HEALTH SCIENCE EVENTS	ONLINE TESTING	TEST LENGTH	STATE CONFERENCE
Dental Terminology	Yes-Online Only	90min/100ques	Test Only-No Round 2

## SD HOSA Event Competitions and Online Tests Specifics 2020-21

---

Please review the guidelines for your competitor's desired event- [www.hosa.org/node/117](http://www.hosa.org/node/117) . Rubrics will be used. Some of the events will be run a little different due to lack of entries.

REMINDER: Students can compete in THREE events...however, two of them must be online only.

**Registration for online testing** will open **January 6, 2021** and will close on **February 7, 2021**. Testing will be conducted from **February 16-March 13, 2021**. Instructions will be sent to you and the assigned proctor once all of your students have been registered and you have registered a proctor. Affiliation, conference registration, and registering a proctor can all be done here – [www.hosa.org/hosaconf](http://www.hosa.org/hosaconf).

The online testing format will allow more freedom for students to participate in other activities at the state conference. If you have any concerns or questions, please contact me at 605.357.1576 or email me at [Brock.Rops@usd.edu](mailto:Brock.Rops@usd.edu)

\*\*\*For Sate Officers only.
