

# *Hit your mark...* Health Science

The health science events are all knowledge-based events that involve an online test. Consider the following to really perform well...

1

*Carefully read through the event guidelines*

2

*Acquire the books required for the online test*

3

*Study the related material for the online test*

4

*Study some more!!*

5

*Find out when the online testing window is open for you to take your test*
