

SD HOSA Event Competitions and Online Tests Specifics 2022-23

In order to compete, all competitors must be affiliated members with HOSA. ***Students may compete in up to THREE events.*** However, only ONE event can be an on-site event. The other TWO must be online only. (EXCEPTION: Anyone competing in the HEALTH CAREER TEAM event can be in ONE more on-site event)

Team tests must be taken individually. The tests will be averaged for a Round 1 score. Teams should be encouraged to take the test simultaneously to help eliminate ethics violations, but I do understand this may be difficult to do with the busyness of students. **Online testing registration closes Friday, February 3, 2023.**

Some events are testing ONLY events (ie: Medical Terminology) and are taken online BEFORE the State Conference with a testing window from **February 5-March 6, 2023**, along with other Round 1 tests. Awards will be given at the Awards Session on Friday, March 31, 2023. Below is a chart of all HOSA events taking place at 2023 SD HOSA State Leadership Conference:

HEALTH SCIENCE EVENTS	ONLINE TESTING	TEST LENGTH	STATE CONFERENCE

Please review the guidelines for your competitor's desired event- www.hosa.org/node/117 . Rubrics will be used. Some of the events will be run a little different due to lack of entries.

Registration for online testing will open **January 3, 2023** and will close on **February 3, 2023**. Instructions will be sent to you and the assigned proctor once all of your students have been registered and you have registered a proctor. Affiliation, conference registration, and registering a proctor can all be done here – www.hosa.org/hosaconf.

If you have any concerns or questions, please contact me at 605.357.1576 or email me at Brock.Rops@usd.edu
