

SD HOSA Fall L.A.U.N.C.H. Academy

Aspiring to become the future leaders in health care across South Dakota is exciting and cause for celebration! South Dakota needs you as health care is the largest sector of job opportunities in the state. This Academy aims to ensure you get your career “launched” while helping your local chapter start the year off the right way. We ask you attend at least one of the academies. You won’t forget this experience!
